

HEALTH AND SAFETY NOTICE

Help keep coronavirus off the jobsite.

SEVEN SIMPLE STEPS:

- 1.** Wash your hands often and well
- 2.** Avoid touching common surfaces like handles and buttons
- 3.** Do not share your tools or your PPE
- 4.** Do not touch your eyes, nose, or mouth
- 5.** Cough or sneeze into your elbow
- 6.** Do your part to keep the portable toilets clean
- 7.** If you experience symptoms of cold or flu, stay home

If you have questions about your company protocols please contact:

**It's everyone's shared responsibility
to take this health risk seriously.**
