MLA's represent local voters on provincial issues

The RCA's role is to educate MLA's on provincial issues in the context of the region.

MLAs represent constituents in reviewing the plans of government. Some perform specialized roles.

Private Members are MLA's who are not Cabinet Ministers.

The Premier appoints party MLAs to the Cabinet

BCCA advocates on behalf of all regions to Ministers shaping provincial policy. Ideally, MLA's are already aware of how the issues impact the construction industry in their region, which shapes their voice as Ministers.

Each Minister is responsible for the day-to-day activities of their ministry and for proposing new laws.

The Cabinet is responsible to the legislative assembly.
