SURVEY COMMENTS

- > It seems wrong to remove the obligation to act fairly and with integrity, especially on public procurement where public money is spent. We should be improving, not going back in time.
- > Thank you for this webinar and providing further clarification on what to be aware of with this “Contract A” removal.
- > Good presentation. It will be interesting to see if any change in owner direction results.
- > Thank you for sharing this important information.
- > Ontario based general contractor who was notified of the growing concern through our association. Thank-you for arranging this alert & awareness webinar.
- > Excellent, informative session!
