Dear [redacted]

YOUR IMMIGRANT VISA(S) APPEAR(S) READY TO BE ISSUED, IF THERE HAS BEEN NO CHANGE IN YOUR FAMILY CONFIGURATION. IF THERE HAVE BEEN ANY CHANGES, PLEASE CONTACT OUR OFFICE BEFORE PROCEEDING.

PASSPORT(S)

As of May 1, 2018, all original documents, including passports, must be submitted via the VAC. Please see: http://www.vfsglobal.ca/canada/ and follow the instructions under the "Passport Transmission Services" section.

The visa(s) will be valid until the expiry of your medical results or until the expiry of your passports, whichever is earliest. As the validity of your visa(s) has been already established and is limited to a fixed date, it CANNOT be extended under any circumstances. We therefore urge you to read and follow carefully the instructions outlined in this letter without delay.

PHOTOGRAPHS

You must also provide two passport photos for every person receiving a visa on your application. Photograph specifications can be found at: www.cic.gc.ca/english/information/applications/guides/pdf/5445EB-e.pdf.

Print the specifications and bring them with you to a commercial photographer. A visa will not be issued if your photo does not match the specifications listed in the link above.

**** PLEASE NOTE:
Failure to provide the required travel document(s) within 15 days from the date of this letter will lead us to conclude that you are no longer interested in immigrating to Canada and your application will be refused based on the information that is available in your file. Once the application is refused, you would be able to reapply, but you would be required to submit a new application and pay a new processing fee. The new application would be assessed according to the Canadian Immigration legislations in force at the time that the new application was filed.

Hello,

We are currently processing your application for permanent residency. You now qualify to receive pre-arrival services to help you prepare for your new life in Canada. These services are **only available** to you **before** you enter Canada.

Immigration, Refugees and Citizenship Canada (IRCC) funds settlement service provider organizations to deliver pre-arrival services at no cost to you. We strongly recommend that you use pre-arrival services. They can help you to:

- Prepare for your move to Canada and learn about living and working in Canada;
- Get your education, work experience, and professional licenses and certificates recognized in Canada;
- Connect with employers; and
- Connect with organizations that offer free settlement services, including language training, after you arrive in Canada.

Explore the list of pre-arrival services available to you offered by the federal government or the provincial or territorial government of your destination:
Canada.ca/pre-arrival-services

You will need to provide a copy of this letter when you register with the service providers listed on the IRCC website.
